

RAINFOREST DINNER A HUGE SUCCESS!

Thanks to all who came to our Second Rainforest Dinner. Through the sales of tickets, handmade jewelry and crafts and personal donations we raised \$1,267 to help give the students at the Baptist School & Orphanage in Ghana an education! We will also receive additional money from Thrivent Financial which is matching funds, a grand total will be shared as soon as we know it!

It is our hope to keep raising money, \$3,000 per student for 4 years (High School) which next school year will have 38 students so that's a total of \$114,000. We will be doing our best and finding new ways to raise the money so that these children can get the proper education and be able to go out in the world just like our kids and make a difference.

During the summer we will be selling "fresh squeezed" lemonade and baked goods after the service to help us continue our efforts for the children.

We thank the congregation for their continued support to the Sunday school!
