The Stained Glass Window Restoration Project

Program:

Stained Glass Windows are said to be "God's Stories".

**Come and hear stories about our beautiful
stained glass windows at St. Paul's.**

From Jesus in the Garden of Gethsemane-Sanctuary
to the Eucharist and Baptism Windows in the Chapel, to
'In Memory Of' windows, and in storybook style, we'll
learn more about the families who sponsored stained glass
windows in honor of their relatives at St. Paul's.
